For A Four Year Term.

Since the election there has been considerable agitation for a change in the term of state officers, from a two year term, to a four year term, and no candidate to be eligible to a re-election. There has always been a considerable amount of argument against this change, because of the fear of getting undesirable officials. This is now eliminated, or would be, with an amendment to the constitution providing for the recall, by which the people could at any time recall any officer who was an undesirable. We believe the change, with this provision, would be a good one. As it is now, every man who is elected to a first term, is always a candidate for a second term. That means two campaigns, without the primary campaign, and that is an expensive proposition. We all know that the remuneration in the various offices is not large. Then again, the activities of a state campaign have more or less effect on business. We are inclined to think that the change would be a good one.

The Knock On Roosevelt.

The result of the election in New York is being generally considered a hard blow at Roosevelt. It surely was something of a jerk. Whenever the people find a public man who thinks he has the world by the tail they rejoice in demonstrating to him the mistake in his idea. Roosevelt doubtless felt that he was doing the country a great service. He preached the doctrine of honesty and progress. But when he seemed to think that the doctrine was just the same as himself and he was the personal embodiment of this doctrine, he unconsciously worked just the result that happened. Roosevelt will no longer occupy the entire stage. He will still be the most powerful citizen of

the country but it will be necessary for him to remember there are other citizens and that he is not the only statue of liberty in the harbor. When he gets this lesson thoroughly soaked in, he will come back in the next campaign and do a lot for the election of the Republican ticket—but he will not be a candidate himself. He has learned that the people do not always vote the way they shout. —Hutchinson News.

Building An Oiled Road.

Tuesday of this week was a holiday for the people of Independence and Coffeyville, and along the road, a distance of 18 miles, between the two towns. The reason being the finishing touches were put on an enterprise that is a daisy, that of building the above kind of a road to connect the two towns. The minimum width of the road is thirty feet. Every one turned out to help, and also made a public subscription to help pay the bills, even the oil companies practically donated the oil, and the result, although not arrived at without many unpleasant incidents, is as fine a piece of road as Kansas can show anywhere.

Buy your fresh Oysters for your Thanksgiving dinner at the Central Meat Market, and you will be sure of getting the very best.

The Knights of Columbus will hold a special session in the W. C. W. hall on next Monday evening, as a farewell affair for the Rev. Father Hermanns, who will leave next week for Edwards county, where he will be stationed in the future. He will be succeeded here by Father Hull, now located at St. Peters, in Edwards county. The two Fathers are to exchange congregations.

A Musical Treat.

The Music Club of Great Bend is to be congratulated on the success of their efforts to secure a date with the LeBrun-Hutman Opera Co., which will appear at the Elite Theatre November 28. This company is a strong one, and will render a class of music which is seldom heard in towns of this size.

Mr. Huttman was formerly a Barton county boy, he having resided at one time in Ellinwood, and is well known to many of our citizens. It was necessary for the club to give a large guarantee to secure the services of this company, and we wish to bespeak for them the cooperation of the city in making this event as much of a success from a financial standpoint as possible. This is not a money making proposition with this club; they must however, have the support of the town in their effort to bring high class musical entertainments to this place. They expect to continue the organization, and many musical treats are in store.

FOR FALLING HAIR

You Run No Risk When You Use This Remedy.

We promise you that, if your hair is falling out, and you have not let it go too far, you can repair the damage already done by using Rexall "93" Hair Tonic, with persistence and regularity, for a reasonable length of time. It is a scientific, cleansing, antiseptic, germicidal preparation, that destroys microbes, stimulates good circulation around the hair roots, promotes hair nourishment, removes dandruff and restores hair health. It is as pleasant to use as pure water, and it is delicately perfumed. It is a real toilet necessity.

We want you to try Rexall "93" Hair Tonic with our promise that it will cost you nothing unless you are perfectly satisfied with its use. It comes in two sizes, prices 50c and \$1. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store—The Hooper Drug Co.

Harry Bishop, a painter and paper hanger who has been living here for some time, was arrested Saturday on the charge of deserting his wife and family. The case was up before the probate court Monday, and Bishop was found guilty as charged and fined \$100 and sentenced to one year in the county jail, but will probably be paroled on the condition that in the future he take care of his wife and children. In the meantime he will be under the charge of the probate court, who will see to it that the conditions of the parole are strictly lived up to. Bishop has a wife and three small children whom he deserted and left in very destitute circumstances. It is said that he is a good workman, and can get plenty of work at good wages so it looks as if there were no excuse for his family being unprovided for. He will probably do better in the future however, or else will spend a part of his time in jail.

If Sick

Don't risk even one single penny!
And I will tell you why I say this.
It is because every package of Dr. Shoop's medicine is absolutely free if it fails.
No one need risk even one single penny.
Just think what this means to the suffering sick!
No risk, no expense, nothing whatever unless health first improves in 20 full days, and without the risk of a single penny, you can use either of my two famous remedies—Dr. Shoop's Restorative or Dr. Shoop's Rheumatic Remedy.
Then why take any chance on a doctor?
Why purchase any medicine whose maker dare not back it just as I do by this remarkable offer?
And besides, I am not making it to you.
My "No Risk" medicine has made Dr. Shoop's Restorative a byword in every drug store in the land. The people say, "We take no chance whatever here."
For twenty years Dr. Shoop's medicines have become thoroughly standardized all over America. And I have the most honest and responsible druggists in every city and village everywhere to act for my medicine and yours. These selected druggists are placing my medicines with the sick—and the entire risk is mine alone.
But write me first for an order.
I have an agent in almost every community—but all druggists are not authorized to grant the 30 day test.
So drop me a line, please—and thus save all disappointments and delays.
Besides, you are free to consult me by letter as you would your home physician. Do so freely and fully—if you desire. My advice and the book below are yours—and without cost. Fetch a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan.
Besides, the books will open up new and helpful ideas to you. They tell of my 30 years experience at the bedside in homes and in hospitals. All phases of disease and relief are told of here. They tell of the "inside work" no larger than a grain of sand, but gives to the heart its impulse. How the stomach and kidney each have their inside work. How these organs surely alter when these controlling or master nerves begin to fail. How Dr. Shoop's Restorative goes directly to these failing nerves, and rebuilds them, and restores the lost tone and power. I can surely help you—if it is within the power of medicine to do so. My best effort is surely worth your simple request. So write now, while it is fresh in your mind, for tomorrow never comes. Dr. Shoop, Box 12, Racine, Wis.

Vossen-Blaiser.

Miss Josephine Vossen and Mr. Henry Blaiser were married on Tuesday morning, Nov. 8, 1910, at St. Joseph's Catholic church, by the Nuptial high mass, Father Emmerich performing the ceremony.

The bride was daintily attired in an elaborate gown of pale blue Princess silk, and was attended by Miss Mary Vossen, who wore a gown of tan cashmere. The groom was assisted by Mr. Lawrence Gregg.

After the ceremony the wedding guests were invited to the home of the bride where a three course luncheon was served.

The bride is one of Ellinwood's charming young ladies, she is very popular among her friends and the groom is wise in choosing her for his bride.

The groom was born and raised in our city, and is reliable in business matters and is a man of sterling worth.

Mr. and Mrs. Blaiser will be at home to their friends after November 28th on a farm south of this city.—Leader.

Lambert Bailey was in Ellinwood on business this week.

Mrs. D. M. Southwick was here from Hoisington Sunday for a short visit with Mr. and Mrs. H. A. Wilson and family.

We can save you money on a Heater. Our stoves are extra heavy, save coal, and hold fire better than most others. Bondurant's.

Mrs. Frank Hammond has been enjoying a visit from her parents, Mr. and Mrs. Joseph Shaffer, of Haven, Kansas. Mr. Shaffer returned home the first of the week but Mrs. Shaffer remained for a longer visit.

Follow this advice.

Quaker Oats is the best of all foods; it is also the cheapest. When such men as Prof. Fisher of Yale University and Sir James Crichton Browne, LL.D.-F.R.S. of London spend the best parts of their lives in studying the great question of the nourishing and strengthening qualities of different foods, it is certain that their advice is absolutely safe to follow.

Professor Fisher found in his experiments for testing the strength and endurance of athletes that the meat eaters were exhausted long before the men who were fed on such food as Quaker Oats. The powers of endurance of the non-meat eaters were about eight times those of the meat eaters.

Sir James Crichton Browne says—eat more oatmeal, eat plenty of it and eat it frequently.

You Can't Despise the Small Things

In fact, our whole life is made up of little things, and it's the little things that please the most of us at times and especially the little ones.

You would not for a moment, forget your wife and children on Xmas, and for this reason we are prepared to satisfy you as to the little or big present that you want to get them. We have them now on exhibition and want you to look at them whether you buy or not. Look at Them Now while you are in town, because it may be so stormy that you cannot come again soon. You can take them with you or have them set aside until Xmas day if you choose.

SOME PEOPLE BUY VERY USEFUL XMAS PRESENTS that are good for the household, such as the Free or White Sewing Machine. These are not only useful, but a money saver, because you do the work in half the time that it would take you to do it by hand. Others want a nice Ivers & Pond or Hobart M. Cable piano. They have been promising their children for a year or more that they would have one this Xmas. Remember, if the girl don't commence playing while she is young she won't want it when she is older, because she don't take any stand with her companions, who are far advanced in music. We can sell you pianos at most any price. We also can sell you an Edison or Victor Talking Machine. We keep the latest records for both of them. Some have got pianos and organs, and now they want a Banjo, Guitar, Mandolin or Violin, a'l of which we keep.

One of the Most Useful Articles in the Household

that is not a luxury, is a Kodak. So often you can take the picture of the baby, or the older people, your horses, automobile or anything that you want, put them in your album or send them to your friends. A Kodak you can buy from \$1.00 up.

SAVE YOUR PICTURES—they may be of some dear friend or relative, they may be scenes of the old homestead, or scenes familiar to you that you don't want to lose. Bring them in and let us frame them. Pictures in the home are as refining as music or flowers.

Do you Ever Think of the Money

you can save each week by getting one of our Safety Razors, strop, hone, shaving soap and brush. They don't cost much and yet at the end of the year you have got \$30.00 or \$40.00 saved.

Something that Will Make Good Xmas Presents

and are necessary. A nice carving set, a nice set of silver knives and forks or table spoons, a nice set of silver ware in sugar, cream, spoon holder and butter dishes. We have just received some new patterns of cut glass ware, and can sell you pitchers, spoon holders, sugar bowls, fruit dishes, and some cheaper Colonial glass ware, in any style and any kind of a price you want.

TODAY WE ARE OPENING up several crates of dishes made in our own country, guaranteed to be as good as any made in the old country. We take pride in presenting to you fine dinner sets in plain or decorated ware at prices 25 to 33 1/2 per cent cheaper than Foreign ware and I guarantee not to craze. We have these sets all the way from \$4.00 up to \$15.00 and \$20.00. A nice fruit dish from 25c to \$2.50. A nice hand painted dish from \$1.00 to \$5.00.

Our Large Rocking Horses

this year are a little better in make and style than ever before. We have sold out our first invoice and are getting more; will you have one?

This year we are getting quite a variety of children's chairs and rockers. Every child two years old wants one of them—have you got them in your home?

When in Town

don't fail to see our display of the Voss Washing machine and wringer and Sharples Cream Separators run by Gasoline engines. You will find them in our Implement Department. They are great labor savers and you don't have that tired over-worked feeling when you use one of these. Let us show them to you.
